Dead Pair Press

We're trying something new here.

An actual e-Newsletter from Shooters Sporting Clays.

Welcome to **Volume 1, Issue 1** of the **Dead Pair Press**

Why that name?

We thought it sounded kinda catchy, and maybe we just didn't want to go with "e-Newsletter" right now.

Or maybe because we all enjoy seeing more Dead Pairs marked on our scorecards than Lost Pairs.

Whichever it is --we're going with it for now.

We'll use this tool to communicate with our great customers and the people out there who want to know what's going on at our shotgun range.

We'll also inform the masses about upcoming events, shoot results, and other good stuff.

Topics will include

- Clay target shooting & Shotguns

- Recreational clay leagues
- Registered competitions
- Fun shoots & Fundraisers
- NSSF's First Shots Program
- Tactical shotgun shoots

Look for weekly content, some issues will be short, some will have more information.
