

## Dead Pair Press

Welcome to **Volume 1, Issue 4** of the **Dead Pair Press**

**Thanks all who attended Jan 5th Sunday shoot and the big game - Vikings 26 / Saints 20.....**

**For fun, we took the last digit of Vikings score PLUS last digit of Saints score for number of boxes of shells to give away on Sunday.**

**Names drawn as follows**

**Scott Crowell - 2 boxes**

**Dan Strootman - 2 boxes**

**Brad Strootman - 2 boxes**

**Since the Vikes won last Sunday.....obviously it's good luck we're giving shells away on NFL scores. We're going to do it again this weekend.**

**Even though the game is Saturday.....anyone who shoots Saturday or Sunday is eligible for shell giveaway from Saturday's scores.**

**This Saturday's January 11th game - Vikes vs. 49ers .....once again we'll add together last digit of Vikings score PLUS last digit of 49ers score.**

**Once again.... it could be up to 18 boxes of shells, 9 + 9 = 18 ? Vikings 19, 49ers 9 , right? Without a doubt!**

## **WINTER LEAGUES AT SHOOTERS**

**First 50 Target score due by February 2nd  
(Super Bowl Sunday).**

### **DON'T HIBERNATE – PARTICIPATE!**

We're making a slight change here....lowering price of league shooting a bit and two less scores to post.

We want to get a good league going for the area clay shooters during January–March. We'll be shooting out of our heated 5–Stand room attached to clubhouse.

Teams of 2–4 shooters....top 2 scores count per week per team – so no big penalty for newer shooters joining in on the fun -- Or maybe it's you not shooting up to your "ability" one week.

If you had a round of 50 where you know you could have shot better.....we'll allow one Replacement score. If your Replacement score is lower – sorry that's still your score.

Shooting as an individual? No problem, we can get a team assignment for you.

All events will be 6 weeks/scores of 50 targets each. Teams must be signed up and have their first 50 target score posted by Sunday Feb. 2nd (Super Bowl Sunday).

Last Day for posting scores March 14, 2020. Awards Monday March 16th.

**Events include:**

**5-Stand** (singles and pairs of targets, using 6-7 sporting clay machines - targets in the air include crossers, quartering, incoming, overhead presentations)

**Regular Trap** (oscillating horizontal only, single targets only, set to ATA height & speed.

\*\*\*Students can get a head start on high school league trap practice from inside our 5-Stand room. Get introduced to other shooting disciplines while they are here)

**Wobble Trap** (oscillating horizontal and vertical, wider angles. Single targets only. A more challenging game to shoot, and allow 2 shots per target. 3 points on a first-shot kill, 2 points on a second-shot kill)

**3-Bird** (incorporates our wobble machine and 5-Stand sporting machines. 3 shells in shotgun is allowed here - a semi-auto or pump shotgun is necessary. Don't have one? We have semi-autos for use at Shooters.

Target menu will be a single out of the wobble trap (fire up to 3 shots if you need to), followed by three sets of three targets. A set of three targets will either be a single followed up by a true pair, or a true pair followed up by a single)

**Long Bird** (two long crossers from a tower on the left "high house" and a platform on the right "low house". Target cross about 50-55 yards. Want to work on longer shots? Here is a great opportunity still shooting from inside our heated 5-Stand room)

\$20 League team fee per event goes to prize drawings &

awards (shells, free rounds of targets, keeps everyone shooting. Shooters beverage tumblers too!)

Additional awards for Ladies Only & Students Only

Do you or or a company you know want to donate additional prizes for the league shooters? By all means let us know and we will get them recognized.

Remember this is all for FUN during these winter months!

**League rounds pricing is \$20 per 50 targets each week/score.**

**(Students: \$16 per 50 targets each week/score)**
